

## CHECKLIST

Congratulations, Blue Team! You have reached the end of this puzzle path. With the items found at this location, you should have gathered the following things from your TASK #1 Photograph:

- a folded, 8.5"x11", blank sheet of paper
- 2 crayons (red & blue)
- 3 dice (two 6-sided, one 10-sided)
- a crayon box

Assuming you *have* found all of these objects, then you have completed TASK #1! Return to Eric's house and show him everything you have collected (you might want to hold on to them as keepsakes). The sooner you do this in relation to other teams, the more Points you will earn:

- Fastest Team: 100 Points
- 2<sup>nd</sup> Place: 90 Points
- 3<sup>rd</sup> Place: 80 Points
- 4<sup>th</sup> Place: 70 Points
- 5<sup>th</sup> Place: 60 Points

By now you've probably made progress on TASK #2 (which began with the cryptex puzzle). There is also a TASK #3; it will test your movie knowledge. But before you can even begin TASK #3, you must *find where it is located*. This can be done if you successfully finish the rest of the puzzles presented to you so far today (especially on the puzzle path that began with the album of 12 photos).

Keep going your almost there...

Eric
