

Congratulations Black team!

In this envelope are 30 "EPP Dollars". Each EPP dollar is worth one point at the end of the day (\$1 = one point, \$5 = five points, etc). Here are some locations on Auburn University's campus to check out. Some locations will have EPP Dollars ready to be picked up. Some locations will not.

Here are the locations:

1. [Haley Center](#)
3. [Parker Hall](#)
3. Knapp Residence Hall (Dorm H)
4. Hollifield Residence Hall (Dorm A)
5. Broun (Katie) Residence Hall (Dorm 02)
6. Harper Residence Hall (Dorm 01)

There is, of course, one little catch. Make sure that you keep notes on where you found the EPP5 dollars and the amount you found. Eric wants you to bring one of the bills to him. Which of the bills you ask? You should study the notes you took. If you are a leet computer dork like I am, you will know which bill to bring Eric. If you bring Eric the correct bill he will give you bonus dollars. Make sure you guess correctly because you only get one guess!

One last thing... It is legal to "buy" answers to the puzzles from other teams. Just remember that your money will count toward their score!

Mike

P.S. Since Haley Center is a large building here is a hint..
Check out Room 10100010101.
