

# Pirates of Toxn Creek

Aaarghifi! You probably never knew there used to be pirates in Auburn. Well, despite the lack of any major body of water, amazingly, five legendary pirates did adventure in these parts. And each one buried a treasure in this park! The pirates, appropriately enough, were known as:

- . Blackbeard
- . Bluebeard
- . Greenbeard
- . Redbeard
- . Yellowbeard

Your goal is to find the treasure chest hidden by the pirate whose beard corresponds to your team's color (avast, Mateys! if you happen to find a treasure chest marked for another team, you'd be well advised to leave it be!). So, how do you find your hidden treasure chest? Well, the pirates were kind enough to leave clues for you around the park = you shouldn't even have to stray too far from the paths to find them.

To locate the actual treasure chests, though... well, that may require a bit more adventure, and it wouldn't hurt to have a compass handy.
