

Seven 7x7s for G4G7

Each wordsquare will contain fourteen different words; seven reading left to right in the rows, seven reading top to bottom in the columns. All of the words are valid in the recently updated *Official Tournament and Club Wordlist* for play in competitive Scrabble®. Definitions are derived from the *Official Scrabble® Players' Dictionary* (Fourth Edition), except (*) which is a valid tournament word not in that dictionary (it is defined in Merriam Webster's *Third New International Dictionary*). One cell in each square has been filled to help get you started.

Puzzle by Eric Harshbarger (assisted by Mike Keith)
